## Challenging Artists to Create Tomorrow's Circus

We bring a multidisciplinary and experiment-driven approach to circus creation and performance.

Circadium offers a full-time, three-year course that grants a Diploma of Circus Arts, recognized by the Pennsylvania Board of Education.

### Are you...

- Willing to take artistic risks?
- Deeply self-motivated?
- Curious about what you want to do with your art and how you envision your future?
- Practicing a deep discipline around physical fitness?
- Willing to re-imagine what circus can look like by integrating other art forms, techniques and processes?
- Interested in collaborating with others?
- Able to manage multiple artistic and technical projects?
- Able to engage fully with a full-time training and artistic development program?
