MESSAGE FROM THE EXECUTIVE DIRECTOR

It is my pleasure to welcome you to Circadium.

This school was founded because we believe that Circus has the power to communicate artistic concepts, transcend social boundaries, and bring self-actualization to individuals. Contemporary Circus is a quickly evolving art form, and young artists need a pathway to pursue careers in this field. While schools like ours have existed for many years in other parts of the world, Circadium is the first of its kind in the United States.

We provide a rigorous program of classes in circus technique, artistic craft, and production. We work with other art forms for influence and inspiration. Students perform in front of peers, and the public, on a regular basis. And throughout all of this, we keep a nurturing environment for students of all cultural backgrounds, ethnicities, gender identities, and sexual orientations. With these goals in mind, we have been able to graduate students who are not only technically outstanding; they are also creative, independent thinkers who are having a strong impact on the circus industry.

Earning a Diploma of Circus Arts at Circadium is the strongest way to demonstrate to the world that you are committed to this art form, and to becoming an artist who continually strives to grow within it.

Our faculty and staff cannot wait to become part of your journey.

A handwritten signature in cursive script that reads "Shana Kennedy". The signature is fluid and elegant, with a large initial 'S' and 'K'.

Shana Kennedy
Executive Director
Circadium

GENERAL INFORMATION

LICENSURE & ACCREDITATION

Circadium is licensed by the Pennsylvania State Board of Private Licensed Schools in the Bureau of Postsecondary and Adult Education, 607 South Drive, Floor 3E, Harrisburg, PA, 17120.

License # 6418

Additional information about this institution may be obtained by contacting the Pennsylvania Department of Education at 717-783-6788, or online:

<http://www.edna.pa.gov/Screens/wfHome.aspx>

Circadium is accredited by the Accrediting Commission of Career Schools and Colleges, 2101 Wilson Boulevard, Suite 302, Arlington, VA 22201

Additional information about this institution may be obtained by contacting ACCSC at 703-247-4212, or online: <https://www.accsc.org/>

SCHOOL INFORMATION

www.circadium.edu

MISSION

The mission of Circadium is to provide students with professional training in contemporary circus, and to prepare them for work in circus and related performing arts fields.

VISION

Circadium's vision is to empower new generations of circus artists to bring the dynamism and wonder of Circus to audiences of all kinds. We foresee Circadium contributing to the future of circus and performing arts by bringing a multidisciplinary and experiment-driven approach to creation and performance.

CIRCUS ARTS ARE THRIVING

The demand for artistically minded circus training is rising, and animal-free representations of the circus are proliferating. Today's circus experience goes beyond the traditional 3-ring format, expanding to performance and storytelling of all kinds, incorporating other art forms, such as theatre, dance, music, and the visual arts.

MEMBERSHIPS

FEDEC Member - Member of the [Federation Européen des Écoles de Cirque Professionnelles](#) – a network of over 70 professional circus schools around the world. Founded in 1998, FEDEC is committed to supporting the development and evolution of training, teaching and creation in the field of circus arts.

ACE Member - Member of the [American Circus Educators Association](#) – a network of over 200 recreational schools in the United States. ACE is dedicated to supporting circus educators and is the trusted authority when it comes to all things circus education and is the primary source for professional development, networking, and information about circus education for anyone identifying as a circus teacher, educator, coach, program director, parent, or administrator.

ACA Member - Member of the [American Circus Alliance](#), a service and advocacy organization dedicated to circus performance and production in the United States.

GPCA Member - Member of the [Greater Philadelphia Cultural Alliance](#), a network of over 400 art institutions in the Greater Philadelphia region.

HISTORY

Circadium opened its doors in 2017. However, its origins can be traced back to 1996, when founder Shana Kennedy graduated from Circomedia, Academy of Circus Arts and Physical Theatre, in the UK.

Returning to the United States, Shana realized that there was a lack of American circus education and founded the Philadelphia School of Circus Arts in the year 2000 to offer a variety of avocational circus classes including an afterschool circus program and recreational classes for children and adults.

After 10 years of running the Philadelphia School of Circus Arts, Shana joined her husband, Greg Kennedy, on tour with Cirque du Soleil. She took the opportunity during these years to visit circus schools around the world, and to research professional pathways.

Upon their return from touring in 2014, Shana spent the next three years designing Circadium, which was granted a license from the Pennsylvania Board of Private Licensed Schools, Pennsylvania Department of Education in May 2017 to offer a Diploma of Circus Arts. In September 2017, the first class of students arrived at the new facility called Circus Campus.

In 2024, Circadium became the first circus school in the United States to achieve full accreditation. The Accrediting Commission of Career Schools and Colleges evaluated Circadium over a 3-year period, to determine that the school had adequate resources, curriculum, and systems in place to merit accreditation.

Circadium has now been operating for eight years and is graduating its sixth cohort of students in spring 2025. We are proud to continue in the journey to provide education to a new generation of circus performers.

OWNERSHIP

The school is owned by Circadium, a Pennsylvania not-for-profit corporation exempt from tax under Internal Revenue Code Section 501(c)(3).

GOVERNING BOARD

Circadium's governing Board of Directors, as of May 2025:

Chair	Brett Mandel
Vice-Chair	Kitsie O'Neill
Treasurer	Vanessa Thomas
Secretary	Tamara Desai

CATALOG INFORMATION AND AVAILABILITY

The school catalog is available at our public website www.circadium.edu

FACILITIES

Circadium is located at Circus Campus, 6452 Greene Street, Philadelphia, PA 19119. It is in the West Mt. Airy neighborhood of Northwest Philadelphia. The facility is 30,000 square feet and includes 2 large training and performance spaces, 3 classrooms, a Learning Resource Center, student lounge, restrooms, reception, and administrative offices. The campus also includes ample outdoor space.

In the training spaces, Circadium has an extensive inventory of circus apparatus and training equipment. There are 50 aerial rigging locations, with a closet full of aerial silks, ropes, lyras, trapezes and straps that are interchanged on the points as needed. The school has a safety lunge, an inflatable air bag, free-standing and anchored tightwires, a professional trampoline and trampoline wall, Cyr Wheels, rola-bolas, unicycles, rolling globes, free-standing ladders, hand balancing canes and benches, and juggling equipment. Mats are provided for all acrobatic practice and general safety such as crash mats, panel mats, carpeted foam mats, and training shapes.

Circus Campus is directly adjacent to the Upsal Train station, a Regional Rail SEPTA station. It is easily accessed by the H and XH bus lines. The campus also has a large parking lot and bicycle racks.

NON-DISCRIMINATION POLICY

Circadium does not discriminate in admission or access to our programs on the basis of age, race, color, sex, disability, religion, sexual orientation, gender identity, financial status, veteran status, or national origin. Our school complies with all provisions of section 504 of the Rehabilitation Act of 1973. No qualified disabled person will be excluded from enrolling in the school, and Circadium will work with the applicant or student to provide necessary accommodations. However, disabled individuals should be aware that the regulations set by the State of Pennsylvania for the programs offered at our institution require a high level of physical fitness and prolonged periods of practical work.

CLASS SIZES

Circadium classes have a maximum of 15 students, with a teacher/student ratio of 1 to 15.

SCHOOL OFFICE HOURS

Admissions and administrative offices are open Monday to Friday 8am to 6 pm.

ADMISSIONS

ADMISSION REQUIREMENTS AND PROCEDURES

Admissions Requirements

Students wishing to apply for enrollment to Circadium Diploma of Circus Arts must comply with the following admissions requirements:

Application

Open December 1, 2025, to January 31, 2026

Prospective students are to:

- Complete the online application available at www.circadium.edu
- Include an explanation of experience in Circus / Dance / Theatre / Gymnastics / or other

physical, artistic discipline in online application. This experience is a requirement for admission.

Enrollment Process, Qualifications, and Timeline

12/1/2025	An online application is made available for the September 2026 program start date.
1/31/2026	Online application due date.
2/17/2026	Students are notified via email of their invitation to live auditions or reasons for not meeting eligibility criteria.
(dates TBD – March 2026)	Live auditions are conducted at our Philadelphia campus.
3/31/2026	Letters are sent to all audition participants with their acceptance or denial of admission.
4/15/2026	Circadium grant applications due date. Students wishing to apply for one of our grants must meet the grant eligibility requirements and follow the specific instructions as stated in the catalog.
4/30/2026	Circadium grant notices sent to all applicants (award or denial of grant)
5/15/2026	Accepted students complete the admissions process, sign the enrollment agreement, and provide a registration fee of \$150.00. (The registration fee is fully refundable if the student requests cancellation, in writing, within 10 calendar days after signing the enrollment agreement, if no classes have been attended, lessons completed, or materials used. If the student cancels after 10 days, but prior to starting, the school can retain the registration fee but refund any other monies paid. Per PA code §73.132) *Students that have not completed the enrollment process and paid the deposit by 5/15/2026 will not be admitted for the September 2026 program cohort. *

Requirements to be fulfilled at time of enrollment (May 2025)

- Valid ID must show student age will be 18 to 35 by September 19, 2025
- Present a valid picture ID issued by a US Department of Motor Vehicle Office (driver's license or DMV ID) OR valid passport
- High School Diploma, GED, or proof of higher education – a copy of transcript or diploma must be provided. An official translation and evaluation are required for foreign education.

- Proof of health insurance that will cover the student while attending classes in Philadelphia.
- Successfully complete the audition
- Complete the enrollment process and pay registration fee.

Auditions

Circadium applicants are required to complete an in-person audition before they receive an admissions decision. The audition consists of one full day of workshops, followed by a day of individual presentations. Attendance on both days of the audition is mandatory.

If an in-person audition is not possible due to extenuating circumstances, Circadium may accept video materials submitted by the applicant. A request for an audition via video submission is considered on a case-by-case basis and must be approved by Circadium's Executive Director. A request for a video audition should be submitted via email to info@circadium.edu by 2/28/2025. Once approved, a list of requirements for the video submission will be provided. The video audition must be received by (date TBD). Attending the live workshops and auditions is strongly preferred and provides applicants with the best chance of acceptance to the Circadium Diploma of Circus Arts program.

Circadium Institutional Grants

Circadium offers the following institutional grants for students who will be enrolled during the 2025- 2026 academic year. Qualifying students must apply for grants by April 15, 2025. Applicants will receive a notification letter by April 30, 2025, with the award or denial of the grant.

Circadium Institutional Grant

This grant assists students from low-income families. Eligibility is limited to families with a combined annual income that falls under the Low-Income Families category, as per the Department of Housing and Urban Development (HUD). A student that qualifies for this grant will receive credit towards the 2025-2026 academic year tuition cost, equivalent to 15% of the tuition cost for the year.

To be considered for this grant, the candidate must fulfill the following requirements:

- Apply for the grant prior to enrollment by completing a grant application form.
- Comply with all admission requirements for the program.
- Present the last reported tax return as proof of a family's combined annual income being within the Low-Income Family bracket.

For information about the income limits to qualify as a Low-Income Family visit

<https://www.huduser.gov/portal/datasets/il.html>

Circadium International Student Grant

This grant assists students who are non-U.S. citizens, to assist with expenses related to travel and student visas. A student that qualifies for this grant will receive credit towards the 2025-2026 academic year tuition cost, equivalent to 15% of the tuition cost for the year.

To be considered for this grant, the candidate must fulfill the following requirements:

- Comply with all admission requirements for the program.
- Provide proof of international status (passport) and affirm that they are not U.S. citizens and therefore ineligible for U.S. Federal Student Aid.

TRANSFER OF CREDITS

Transfer of Credits for Studies in Other Institutions

Circadium does not accept the transfer of credits for studies from other institutions.

Transferability of Credits Earned at Circadium to Another Institution

Transferability of hours/courses earned at this institution is at the discretion of the accepting institution. It is the student's responsibility to confirm if they will be accepted by another institution of the student's choice.

AUDITING

Upon obtaining permission from the instructor of the course and subject to the availability of space, full-time students of Circadium may audit courses without registration, and without payment of additional fees. It is understood that no academic credit is earned in this manner. No official record is kept of courses audited.

CREDIT FOR PRIOR LEARNING OR EXAMINATION

Circadium does not grant credits for prior learning or by examination.

RE-ENROLLMENT (RE-START)

A student that has withdrawn or has been terminated and desires to re-enter the program of study must notify the school in writing. A student that left the program for any reason must interview with the Executive Director and show cause why he/she should be allowed to enroll again at the institution. The decision of the school will be final. When re-enrollment is approved, the student will need to comply with all current admissions requirements and have satisfied any pending financial responsibilities for the previous program enrollment. Credits earned for the previous enrollment that were applied will be considered for the new enrollment as a transfer of hours. Tuition will be pro-rated (calculated at a rate of \$22/hour) to reflect the re-enrolling student's modified schedule.

TUITION AND FEES

Program	Registration Fee	Tuition	Textbooks	Other Fees	Total Cost
Circus Arts	\$150 - This fee constitutes a partial contribution to the support of such essential services as student services	Total tuition cost: \$ 38,940 <i>Note:</i> Three academic years, each with a tuition of \$12,980	\$ 0	\$ 0	\$ 39,090

Students must have access to the internet through an electronic device (phone, laptop, iPad) from home to complete assignments.

Costs to be incurred by students not included in the program fees:

Year 1 – Training clothes, including acrobatic shoes and ballet shoes

Year 2 - Training clothes, including acrobatic shoes and ballet shoes; personal equipment for circus discipline specialty (such as juggling clubs, Cyr wheel, aerial apparatus)

Year 3 - Training clothes, including acrobatic shoes and ballet shoes; personal equipment for circus discipline specialty (such as juggling clubs, Cyr wheel, aerial apparatus); fees for Website domain hosting and business card creation; costume for Thesis Presentations

FINANCIAL SERVICES

STUDENT FINANCIAL ASSISTANCE

All tuition, fees, and related costs of the program of enrollment are included in this catalog and are due prior to the scheduled start-date of a student’s course(s), unless the student has arranged for a payment plan. The complete fulfillment of payment obligations is a condition for graduation.

BILLING

At the time of enrollment, students may select from the following payment options:

- Circadium accepts
 - cash,
 - checks, and
 - ACH (electronic bank transfer)
 - Credit Card

Late fees

Payments received 7 days past due date	\$25.00
Payments received 14 days past due date	\$50.00
Payments received 21 days past due date	\$75.00

Payments received 28 days past due date	\$100.00
---	----------

If payment has not been received by 29 days past the due date, the student will be withdrawn from the program, subject to the refund and withdrawal policies below.

REFUND AND WITHDRAWAL POLICY

Tuition refunds will be determined as follows. All refunds, if applicable, will be returned to the student within 30 calendar days of the withdrawal date. The withdrawal date for refund computation purposes is the last date of actual attendance. While Circadium does not currently require any fees to be paid at the time of application, as per 22 Pa. Code § 73.133, an applicant rejected by the school is entitled to a refund of monies paid.

1. If the student requests cancellation, in writing, within 10 calendar days after signing the enrollment agreement, and if no classes have been attended, lessons completed, or materials used the registration fee and any other monies paid are refundable. If the student cancels after 10 days, but prior to starting, the school can retain the registration fee but refund any other monies paid.
2. If a student enrolls and withdraws or discontinues after the term has begun, but prior to completion of the term the following minimum refunds apply:
 - I. For a student withdrawing from or discontinuing the program during the first 7 calendar days of the term, the tuition charges refunded by the school are 75% of the tuition for the term.
 - II. For a student withdrawing from or discontinuing the program after the first 7 calendar days, but within the first 25% of the term, the tuition charges refunded by the school are 55% of the tuition for the term.
 - III. For a student withdrawing or discontinuing after 25% but within 50% of the term, the tuition charges refunded by the school are 30% of the tuition for the term.
 - IV. For a student withdrawing from or discontinuing the program after 50% of the term, the student is entitled to no refund.

ACADEMIC POLICIES AND PROCEDURES

GRADING SYSTEM

Students must maintain a minimum grade of C- (70 %) – equivalent to a GPA of 2.0 for each course.

Grade Scale

Letter Grade	Equivalent Percentage	Grade Points
A+	97-100	4.0
A	93-96	4.0
A-	90-92	3.7
B+	87-89	3.3
B	83-86	3.0
B-	80-82	2.7
C+	77-79	2.3
C	70-76	2.0
F	69% and below	0

Transferred Courses

Transferred course hours are denoted in transcripts under the transfer column.

DEFINITIONS

Program Duration

Program and courses duration are measured in clock hours.

Clock Hour Definition

A period of 60 minutes with a minimum of 50 minutes of instruction in the presence of an instructor.

Period of Enrollment

A period of enrollment or payment obligation: the entire program.

Academic Year and Terms

An academic year is a period of 32 weeks divided in two terms of 16 weeks each.

Grade Point Average (GPA)

The grade point average (GPA) is a number that represents the average value of the accumulated final grades earned for courses over a specific period of time. A student's grade point average is calculated by adding all accumulated final grades multiplied by their corresponding course hours and dividing that figure by the number of grades awarded. For repeat courses, only the highest grade achieved will be considered for the GPA calculation. The cumulative grade point average (CGPA) is the grade point average calculation for the full program of enrollment or for a specific term/period, for example for a SAP evaluation period.

INCOMPLETE GRADES

Students may request an incomplete grade (I) when under extenuating circumstances that prevent the completion of required course work or assessments. Approval is not guaranteed. Each request is evaluated on a case-by-case basis. The method and time for the completion of the work must be approved by the instructor. If the work is not completed by the end of the agreed period, the grade of I will automatically change to a grade of F. No timeframe shall exceed a period of two weeks.

WITHDRAW GRADES

Courses where a student withdrew will receive marked as withdraw (W). Withdraw grades have a 0. Withdraw is considered when calculating the CGPA.

REPEATING A COURSE

Students must repeat any course in which a passing grade is not earned, as long as the student stays within the Satisfactory Academic Policy (SAP) approved regulations as established in this catalog. Students are required to pay tuition for each repeated course at a rate of \$22 per hour. The highest grade obtained will be the one considered in the computation of the student's GPA and credited toward graduation requirements.

MAKEUP WORK AND EXAMS

Students shall make arrangements with their instructor in order to make up a class, work, or practical missed prior to finishing and taking the final test. The same rule will apply for missed exams that will be scheduled at the discretion of the instructor. Make-up exams are a privilege not a right. Students should be in attendance on examination days.

TUTORING

Students who are struggling in a class are advised to contact the Executive Director to inquire about tutoring.

COURSE NUMBERING SYSTEM

Course numbers are based on course codes established by the institution. The course numbering system consists of an alpha prefix followed by a digit course number. The Alpha Prefix identifies academic discipline. The numbers identify the course.

PREFIXES

DAN	Dance Courses
THE	Theatre Courses
CIR	Circus Courses
PER	Performance Studies Courses

GRADUATION REQUIREMENTS

In order to graduate from a program, students must pass all the courses, achieve a cumulative GPA of 2.0 [70%], and comply with all requirements established in the institution's SAP policy. In addition, the student must fulfill all financial obligations as stated in the Enrollment Agreement.

ACADEMIC HONESTY

Students will only receive credit for their original work. References to external sources must be clearly identified. Students committing plagiarism or cheating will be held accountable with consequences that may vary from having to repeat an assessment/course to suspension and expulsion.

Plagiarism: The use of someone else’s words or works as your own without the required acknowledgment or attribution. Words or ideas that require citation include, but are not limited to, hard copy or electronic publications (whether copyrighted or not), verbal or visual communication when the content of such communication clearly originates from an identifiable source.

Cheating: The use of unauthorized help during an exam or assignment. Examples are asking someone else to complete the assignment, acquiring test answers, looking over someone else’s shoulder during a test to copy their responses, or unauthorized access to test responses while testing.

COPYRIGHT POLICY

Circadium students, faculty, and staff are required to comply with the United States and international copyright laws. Circadium will hold accountable students, faculty, and staff violating copyright laws with consequences that can vary from disciplinary actions, suspension, civil and criminal liabilities. Violations to copyrights include reproduction, copies, distribution, modification, public display, download, store, or transmission by anyone but the copyright owner without written authorization. Using a portion of the original work is still considered a violation of copyright when deemed “substantial and material”. Under the [Berne Convention](#), copyright protection for any work created after April 1, 1989, is automatically granted upon creation without the need for a declaration or assertion. This means as soon as the work is written or recorded in a physical medium (including printed, electronically stored, emailed, cloud-sharing, part of an electronic presentation), copyrights are automatically given to the author. For more information, visit the US Copyright Office website at www.copyright.gov. The US Copyright Office FAQ page includes clarifications to the most common questions at www.copyright.gov/help/faq. Copyright Act violation consequences and penalties are listed at <http://www.copyright.gov/title17/92chap5.html>

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

Circadium requires that all students enrolled be evaluated academically and attendance-wise upon completion of evaluation periods as listed below. Students are required to meet the standards of academic progress included next to determine the standards are met. These standards have multiple

components (qualitative and quantitative measurements) that include a minimum cumulative grade point average requirement (CGPA); a minimum successful completion rate based on all clock hours attempted; and a maximum timeframe requirement.

SAP - EVALUATION PERIODS

Students are evaluated at the end of each term. Each calendar year has two terms of 16 weeks each.

SAP - QUANTITATIVE CRITERIA

Students must attend at least 80% of the scheduled hours of the corresponding evaluation period in order to remain in compliance with the institution's SAP Policy. Clock hour progression will be based on a cumulative total of scheduled hours to attended hours. For example, a student that is in a SAP evaluation period of 320 clock hours is required to successfully complete a minimum of 256 clock hours ($320 \times 80\% = 256$).

SAP - QUALITATIVE CRITERIA

Under the qualitative criteria, to make Satisfactory Academic Progress (SAP), the student must demonstrate a minimum overall cumulative grade point average (CGPA) of 2.0 (70%) at the end of the SAP evaluation period been considered.

SAP – EVALUATION AND ACADEMIC WARNING

A student who fails to establish or maintain Satisfactory Academic Progress (fails to meet the SAP Quantitative criteria or SAP Qualitative criteria) will be placed on academic warning and maintain this status of academic warning during the following SAP evaluation period. At the end of the period in which the student is on warning, the student's overall GPA and clock hours completion percentage will be recalculated. A student will be removed from academic warning only if the student has regained satisfactory academic progress status (meets SAP Quantitative and Qualitative criteria). A student that fails to achieve a satisfactory SAP evaluation after completing the academic warning will be placed on probation.

SAP – ACADEMIC PROBATION

A student who fails to regain Satisfactory Academic Progress (fails to meet the SAP Quantitative criteria or SAP Qualitative criteria) after completing the warning period, will be placed on academic probation and maintain this status of academic probation during the following SAP

evaluation period. At the end of the period in which the student is on probation, the student's overall GPA and clock hours completion percentage will be recalculated. A student will be removed from academic probation only if the student has regained satisfactory academic progress status (meets SAP Quantitative and Qualitative criteria). A student that fails to achieve a satisfactory SAP evaluation after completing the academic probation will be withdrawn from the program of enrollment.

SAP - TIME FRAME TO COMPLETE (MTF) POLICY

The maximum allowable time frame for students to remain active in a program of enrollment is equal to 150% of the total hours of enrollment as specified in the enrollment agreement. This criterion allows students to repeat courses when failed and continue in the program of enrollment as long as the total hours attempted by the student do not go beyond 150% of the total hours of enrollment as specified in the enrollment agreement. Students still in attendance beyond the total number of hours as specified in the enrollment agreement are required to pay a tuition charge for every extra hour attended. Students that do not successfully complete their program when reaching 150% of total hours attempted will be automatically withdrawn.

SAP - APPEALS

A student who has been placed on academic probation but feels that there were mitigating circumstances that caused him or her to fail the SAP standard. Appeals must be received in writing within 10 days of the evaluation, status change, or dismissal. The Executive Director will respond in writing of the final determination within 10 business days.

SCHOOL RULES

CODE OF CONDUCT

Every student is expected to conduct themselves in a manner that ensures respect and consideration not only for staff and fellow students, but also for the program of study and the pursuit of excellence therein. The rules below are listed not only to promote a healthy learning environment at school, but also to build the practices necessary for a successful circus career.

Students are expected to conduct themselves professionally at all times. Any behavior that disrupts other students, the class, faculty, or the school's personnel will not be tolerated. Disrespectful

behavior is considered unsatisfactory conduct and will be grounds for dismissal. Property theft from the school or other students will be grounds for immediate dismissal.

Circadium reserves the right to dismiss students for the following:

- Falsifying Records
- Harassment of any kind, discrimination, or intimidation
- Attending the institution while under the influence of drugs or alcohol
- Carrying a weapon (concealed or not)
- Failure to comply with the school rules and regulations

Conduct rules:

1. Arrive at class on time.
2. Full attendance is expected; refer to the Attendance Policy for details.
3. Students are to always behave professionally. Profanity and poor engagement will not be entertained. Circadium will not tolerate anyone intimidating, humiliating, or sabotaging others in the institution.
4. Even under the supervision of an instructor, students will be working independently many times during their three years here. Students are expected to demonstrate good time management, the ability to self-direct, and motivation.
5. No phones are allowed in the classroom unless special permission is granted by the teacher.
6. No headphones or earbuds should be used during active class time. When practicing outside of instructed class time, keep the volume low.
7. No food or drink, besides water in sealable containers, is allowed in the studio spaces.
8. Students are to actively and respectfully engage in each class as expected and instructed by the corresponding faculty members. Students unable to follow the class or safely participate in the required activities will be sent home.

9. Physical practical activities require students to come to class well-rested. Students are expected to keep their health a priority and inform the instructor when physical or mental issues (stress, burnout, anxiety, for example) may interfere with their ability to participate safely. Instructors will send home students unable to focus or lacking the ability to take good care of themselves/classmates while participating in solo or group activities.
10. Maintain clear and consistent communication with staff, both teaching and administrative. The program is intense and can lead to stressful situations that may require counseling. If a student feels that he/she is not getting their needs met or is having issues with a class or faculty member, it is up to him/her to set up a meeting with student services.
11. Students will receive emails from faculty, and from the Executive Director, that must be read and responded to. Students should check their emails and issue responses within 24 hours on weekdays.
12. Communications with school personnel and faculty members are to be done through the official emails provided. Texting and social-media messaging school personnel is strictly forbidden.
13. Abide by the dress code: close-fitting exercise clothing that does not impede movement; no logos, solid-color clothing only; leotards and tights for dance; acrobatic shoes (such as Feiyus); no street shoes.
14. When students need to leave the classroom, there is no need to ask permission; leave quietly and unobtrusively; return quickly.
15. Due to the nature of circus education, physical contact will be made between teachers and students on a regular basis. When possible, teachers will ask students' permission before this contact; but in many cases, for safety and for the flow of classroom learning, this will not be possible. As explained in the orientation session, once enrolled at our school, Circadium's teachers have students' consent to be touched, when appropriate to the class at hand, unless students notify the teacher(s) otherwise.
16. Circus skills by nature include an element of risk. While we take reasonably practicable measures to reduce the risk, students must accept that we cannot eliminate all possibilities of injury.
17. Please report any safety concerns immediately to a Faculty Member or the Executive Director.
18. Medical conditions that will affect students' training should be reported to the relevant

instructors. See the Fitness to Train Policy for more details.

19. Any injuries requiring medical attention must be recorded on an Incident Report Form.
20. Smoking is forbidden in all parts of the building, and the use of illegal drugs on the premises will result in immediate expulsion from the school. Students should never attend class under the influence of any drugs or alcohol.
21. Help prepare the studio at the beginning of class and clean up at the end of class.
22. Journals are required for all classes. Bring them and write in them. Phones are not allowed to be a substitute for notetaking.
23. Take the utmost care to maintain the cleanliness of the workspaces and the student lounge and make proper and respectful use of all equipment.
24. Practice outside of class time must adhere to the following policies.
 - a. There is no guarantee of any apparatus being available; you may not request rigging changes.
 - b. You may bring your own apparatus, but it must be inspected and approved.
 - c. Return all equipment where you found it.
 - d. Don't try out new skills during open practice time.
 - e. Don't teach skills to other people.
 - f. Actively promote a culture of safety; make sure that everything you do is and *appears to be* safe and well-planned.
 - g. Be respectful of others' desires to be social or asocial in their training.
 - h. Be mindful of the noise in the space.
 - i. Speak up if you see anything you believe is unsafe.
25. Students should communicate with their fellow students; help create group unity and a group support system. Students should be open to asking for help from / giving help to their peers and recognize that all have different strengths and weaknesses. Be willing to accept others' differences and work as a team.
26. Students that have damaged or destroyed school property will be responsible for the financial replacement cost and could be legally prosecuted.

27. Commercial activities such as sales and promotions are not allowed on school premises and are grounds for suspension or expulsion.

WEAPONS POLICY

Circadium prohibits the possession, storage, or use of weapons of any kind on the school campus, with the exception of on-duty law enforcement officers. Objects considered weapons include firearms, explosives (including fireworks), metal knuckles, knives, pocketknives, or any other object designed or used with the intent to harm a person or destroy property. Also prohibited on campus is the use of fake guns or handheld items under clothing to simulate a weapon. Any person violating this policy will be immediately reported to authorities and permanently expelled from the institution.

SEXUAL HARASSMENT AND ANTI-HAZING POLICY

Harassment, intimidation, or discrimination because of age, race, color, religion, national origin, or disability, will not be tolerated at Circadium. Behavior that denigrates the integrity of any person at the school (hazing) will not be tolerated.

Circadium is committed to the maintenance of a community free from sexual harassment. Sexual harassment is unacceptable conduct and will not be tolerated in any context at Circadium, whether it be in a faculty/student, faculty/faculty, supervisor/employee, student/student, worker/co-worker, or other relationship. All members of the school community have a responsibility to ensure that the school is free from all forms of sexual harassment.

For all individuals who are part of the Circadium community, sexually harassing conduct includes the following: sexual assault, unwelcome sexual advances, requests for sexual favors, and other harassing conduct or physical contact of a sexual or gender-motivated nature, when:

- a. submission to such conduct is made explicitly or implicitly a term or condition of an individual's employment or status in a course, program, or activity; or
- b. submission to or rejection of such conduct is used as a basis for an employment-related, educational, or other decisions affecting an individual; or
- c. such conduct substantially interferes with an individual's work, educational

performance, or equal access to the school's resources and opportunities; or

d. such conduct creates an intimidating, hostile, or abusive work or educational environment.

Sexual or gender-based harassment creates a "hostile environment" when the conduct is sufficiently severe, persistent, or pervasive that it unreasonably interferes with, limits, or deprives an individual from participating in or benefitting from Circadium's education or employment programs and/or activities. Conduct must be deemed severe, persistent, or pervasive from both a subjective and an objective perspective. In evaluating whether a hostile environment exists, the school will consider the totality of known circumstances, including, but not limited to:

- a. The frequency, nature and severity of the conduct.
- b. Whether the conduct was physically threatening.
- c. The effect of the conduct on the reporting party's mental or emotional state.
- d. Whether the conduct was directed at more than one person.
- e. Whether the conduct arose in the context of other discriminatory conduct.
- f. Whether the conduct unreasonably interfered with the reporting party's educational or work performance and/or school programs or activities.

Reporting instances of sexual harassment should be done through the Grievance Procedures, listed below.

VIOLATING SCHOOL POLICIES OR CODE OF CONDUCT

Students who violate the Code of Conduct, or any other policies presented in this Catalog, depending on the severity of the violation, are subject to disciplinary actions, including suspension and termination from the school. If the infraction violates local, state, or federal laws, Circadium reports the student and incident details to law enforcement.

PROBATION

The institution reserves the right to place a student on probation due to unprofessional or disorderly conduct that reflects negatively on Circadium, affects other students, is a potential safety issue, or violates school policies, as stated in this catalog.

GROUNDINGS FOR TERMINATION

A student's enrollment can be terminated at the discretion of the institution for non-payment of academic costs or failure to comply with rules and policies established by the institution as outlined in the catalog.

HEALTH AND SAFETY PLAN

Circadium Health and Safety Plan is available on our public website. Our plan has been implemented with the goal of keeping our students, guests, and personnel safe at all times. Students are informed about our school Health and Safety Plan at the time of the enrollment orientation. We ask students to stay alert and report any incident or situation that could place students, guests, or personnel in harm's way.

FITNESS TO TRAIN

Circadium's program requires a strong level of physical and mental health. We expect all students to attend and engage effectively in all courses; to work independently outside of courses; and to participate in regular assessments. Students must demonstrate full awareness of their own health and safety, and that of others.

DISABLED STUDENTS AND REASONABLE ACCOMMODATIONS

In the process of applying for Circadium, students should communicate any disabilities that might affect their coursework here and begin a discussion of reasonable accommodations. Once we have accepted a student into Circadium's program, we are committed to providing them with the opportunity to participate in the course on an equal basis.

We will identify barriers that a disabled student might face in their training and take steps ("reasonable accommodations") to identify and remove these barriers wherever possible. There is every reason to expect that a student with long term disability or health condition will successfully complete their training.

PERSONAL PROPERTY

Students are responsible for identifying and protecting their personal belongings, materials, and equipment. All personal property should be kept in the Student Lounge. The school will not take any responsibility for lost or misplaced personal property.

USING AND CARING FOR EQUIPMENT

Students are responsible for their materials and equipment. The equipment and implements of the school should be used gracefully in a suitable and professional manner. Any damage caused to equipment or malfunction detected must be immediately communicated to the school personnel.

GENERAL ATTENDANCE POLICY

A student with no attendance over a period of 14 consecutive days will be withdrawn from the program of enrollment. Students with a situation that may require them to be absent from the school over a period of two weeks are encouraged to apply for a Leave of Absence (LOA). Please refer to the LOA policy included in the catalog under the Student Rights section.

In addition, and as per the Satisfactory Academic Progress Policy (SAP) Quantitative Criteria, students must complete at least 80% of the attempted clock hours of each evaluated period in order to remain in compliance with the institution's SAP Policy. Refer to the Satisfactory Academic Progress Policy published in the school catalog for a full description of the evaluation and probation criteria.

Students are expected to attend scheduled classes as scheduled. Students are solely responsible for all the information, materials, and instructions provided during the missed class. Circadium has no obligation to provide any missed materials such as lectures, testing information, guidelines, or class notes.

COURSE ATTENDANCE POLICY

Students that are found to have missed over 20% of classes within a specific course will be given a grade of W for the course and will have to retake the course at their own expense.

Notification: If a student cannot come into school, they must send an email to the Executive Director (shana@circadium.edu) or a text to the School Text Line no later than 8:00am that morning. If a student is sick during the day and must leave school, they must use the same notification procedures.

No-Call No-Show Rule:

Because so many of Circadium's classes are ensemble-based, lack of communication about absences has a negative impact on the entire school community.

The first two days of "No-Call No-Show" absences will result in written warnings.

The 3rd time this happens, the student will be withdrawn from the missed courses, will receive an F for the courses, and must repeat the courses at their own expense in order to graduate.

LATENESS

Lateness is defined as showing to a class more than ten minutes late. Having three separate incidents of lateness will be considered as one absence.

STUDENT RIGHTS

DISCRIMINATION AND HARASSMENT POLICY

Circadium prohibits discrimination or harassment based on race, ethnic or national origin, religion, age, sex, color, physical or mental condition, marital status, or veteran status under any program or activity under its purview. Sexual harassment includes harassment based on gender, pregnancy, childbirth or related medical condition, and inappropriate conduct of a sexual nature.

STUDENT'S RIGHT TO KNOW - STUDENT PRIVACY RECORDS (ACT OF 1974)

Circadium's students have access to records as provided under federal and state law. The Federal Student Privacy Act of 1974 relates to the privacy of students, and it is designed to protect the privacy of their records. Students and parents of dependent students have the right to inspect and review the student's records. The school requires written authorization from the student or the designated representative before disclosing any individual information.

INFORMATION DISCLOSURE

In order to disclose students' personal information, written authorization is required. All information asked for by the United States Department of Education will be provided, in accordance with all applicable laws and regulations.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Circadium strictly adheres to the requirements of FERPA regarding students' rights and privacy of information. In accordance with public law 93- 380, Family Educational Rights and Privacy Act, Florida Statute 5.229.782, the school allows students to access their educational records; challenge records they believe are inaccurate, incomplete or misleading; and limit the release of such information. Records will not be released without the written consent of the student. A student will be notified whenever a court subpoenas the records in which case, written consent is not required. The parent (s) of a dependent student has the right to inspect records that are maintained by the school on behalf of the student.

MAINTENANCE OF STUDENT RECORDS

Official academic records are maintained by the Student Services Department. Included are admission applications and associated documentation, the records of grades and credits received in courses at this institution or accepted from other institutions; and other documents directly relating to the student's academic progress and status.

STUDENT RECORD DUPLICATES

The student may request a copy of his/her record in person or through a representative authorized by them in written consent, provided that all financial obligations have been met.

LEAVE OF ABSENCE

A leave of absence (LOA) must be requested in writing on an official Leave of Absence Form obtainable from the student services office prior to the beginning of the proposed requested leave. A leave of absence must be approved by the school's Executive Director and may not exceed 180 (calendar) days.

A LOA may be granted for up to 180 days for reasonable causes like family illness, disability, or emergency. The request must be documented and signed by the student. If a student fails to return

from the leave of absence, he or she will be considered withdrawn for academic purposes. The institution may grant a student multiple leaves of absence as long as the total number of days for all leaves does not exceed 180 days within a 12-month period.

A student returning from a leave of absence is to be scheduled to complete pending courses starting the date of return. For that reason, a leave of absence will only be approved when the school is able to accommodate the student returning to an appropriate group/course within the allowed 180 days of absence during a 12-month period.

A student must request the LOA in writing in advance of the beginning date of the leave of absence unless unforeseen circumstances prevent advance notice. Exceptions are submitted to the student services office for approval. The anticipated date of return must be indicated on the request as well as the reason for a student's leave request. When calculating the refund due to a student, the last date of actual attendance by the student is used in the calculation unless earlier written notice was received.

In the event of an emergency, the institution may grant a leave of absence. However, when students are not in regular attendance, they jeopardize the quality of their education. Therefore, a leave of absence is discouraged.

EQUIPMENT LOAN PLAN

Many students wish to own the equipment for their circus discipline. Circadium recognizes that this equipment can be expensive. In order for all students to access the correct equipment, we will support their purchase through a loan and repayment system.

Access to the Loan Plan is only available by prior approval of the Executive Director.

Equipment Loan Plan: Following approval by the Executive Director, the student will request an invoice sent to Circadium, and Circadium will purchase and receive the equipment on behalf of the student. The student signs an equipment repayment contract with the Executive Director. While the students will be able to use the equipment while they are paying back the loan, the equipment will remain the property of Circadium until the loan has been fully repaid.

The costs of any damage / repairs needed to the equipment during the loan period will be paid upfront by Circadium but added to the balance due for the student.

Note that approval will only be granted for this kind of opportunity in the 2nd and 3rd Years of the program, and at the discretion of the Executive Director in consultation with the core faculty.

GRIEVANCE POLICY

The administration, faculty, and staff of Circadium maintain an open-door policy for students to voice their concerns or complaints. Occasionally, a student or former student will require assistance with a problem at a level outside of Circadium.

Circadium grievance procedure is as follows:

1. The student attempts to handle the grievance with the instructor in a calm and professional manner.
2. If the grievance cannot be settled at this level, the student may ask for the intervention of Student Services to attempt to mediate, arbitrate, or rectify the situation. In most cases, complaints can be discharged at this level of intervention.
3. If a satisfactory result cannot be accomplished at this level, a written description of the grievance can be directed to the Executive Director. The Executive Director will evaluate the grievance and gather information. The student will be kept informed by the Executive Director as to the status of the grievance, as well as the resolution of the problem. Students must submit a grievance no later than a week after the incident in consideration. The Executive Director will respond to the grievance in writing within 7 business days.

When writing your grievance statement please include the following:

- ✓ Your name, address and contact number
- ✓ Facts of your complaint: date and time of the incident, where it took place, the names of the people involved, the names of any witnesses
- ✓ Supporting evidence for your complaint
- ✓ Describe any steps taken informally to resolve the matter
- ✓ Include a reasonable solution for your complaint

✓ Sign and date your statement

4. Circadium is licensed by the Pennsylvania State Board of Private Licensed Schools. In cases where the grievance is not settled at the institutional level, the student may contact

State Board of Private Licensed Schools
Bureau of Postsecondary and Adult Education
607 South Drive, Floor 3E
Harrisburg, PA 17120

Phone 717-783-8228

STUDENTS COMPLAINT PROCEDURE WITH ACCSC

Schools accredited by the Accrediting Commission of Career Schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission.

All complaints reviewed by the Commission must be in written form and should grant permission for the Commission to forward a copy of the complaint to the school for a response. This can be accomplished by filing the ACCSC Complaint Form. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission.

Please direct all inquiries to:

Accrediting Commission of Career Schools & Colleges

2101 Wilson Boulevard, Suite 302

Arlington, VA 22201

Phone (703) 247-4212

Email: complaints@accsc.org

<https://www.accsc.org/>

A copy of the [ACCSC Complaint Form](#) is available at the school and may be obtained by contacting complaints@accsc.org or at [ACCSC Complaints Page](#)

APPEAL PROCESS

Students have the right to appeal against the school's decisions related to their grades, academic progress, or status (probation, warning, suspension, termination). Appeals must be received in writing within 10 days of the evaluation, status change, or dismissal. The Executive Director will respond in writing with the final determination within 10 business days.

In cases where the appeal is not settled at the institutional level, the student may also contact

State Board of Private Licensed Schools
Pennsylvania Department of Education
333 Market Street, 12th floor,
Harrisburg, PA 17126-0333
Phone 717-783-8228

STUDENT SERVICES

ACADEMIC AND CAREER ADVISING

Counseling is available to all students for career and academic reasons. Students with issues of a personal nature will be referred to local public or private agencies for professional assistance.

CAREER SERVICES

Students will be coached on how to write resumes and prepare for job interviews. Every possible effort will be made by the school to expose students to professionals in the field. Our aim is to make students aware of the many professional opportunities available to them. Although the school cannot guarantee employment or placement, reasonable efforts will be made to assist students in securing suitable employment. This assistance is free and available to any student, regardless of when the student graduated.

MEDIA SERVICES RESOURCE CENTER

The school Media Center houses additional learning resources for active students and graduates. Resources include a computer connected to the internet, additional textbooks, reference materials, as well as program appropriate subscriptions. The media services resource center is open during

normal business hours. Students will have access to school computers while on campus during non-testing hours. Students are not permitted to have food or beverages including legal or illegal substances in the computer labs. Offensive or illegal websites are not permitted.

FINANCIAL ADVISEMENT

The Financial Services Director will assist students to work out any financial problems, discuss financial options or payment plans.

HOUSING

Circadium does not offer housing for students.

TRANSCRIPT REQUESTS

Upon graduation Circadium provides each student with their diploma and corresponding official transcript at no cost. Circadium reminds students that in order to graduate, a student must have successfully completed their program of instruction and be up to date with their financial obligations with the institution. Students that are up to date with their financial obligations may request a copy of their transcript from the Student Services by completing a transcript request form. Transcript requests may be made in person or by mail. There is a charge of \$25 for official transcripts. Official and non-official transcript requests may take between five (5) to ten (10) business days to process.

CIRCADIUM DIPLOMA OF CIRCUS ARTS

PROGRAM INFORMATION

2028 HOURS – 3 ACADEMIC YEARS

PROGRAM OBJECTIVE

Circadium Diploma of Circus Arts prepares students for entry level careers as circus artists, through a combination of technical skill training, artistic guidance, and frequent performance opportunities.

LEARNING OUTCOMES

Graduates of Circadium Diploma of Circus Arts will

- have strong technical mastery over a chosen field of Major study
- have a broad working knowledge of several circus disciplines
- be self-driven
- understand how to create performative works independently and within an ensemble
- understand their work within the circus industry and within cultural contexts
- understand how to become an artist entrepreneur, and possess related skill-based proficiency
- develop a strong artistic innovative voice
- be able to spontaneously create circus, dance, and theater in a rehearsal context
- be able to refine performances and ideas, and understand the time-intensive work of bringing performance to a masterful level
- have a working knowledge of every part of show creation including performance, design, direction, and production

PROGRAM DESCRIPTION

In **Year 1**, students are exposed to the full range of circus disciplines. Students are introduced to skills in acrobatics, aerial work, equilibristic and object manipulation, as well as building core strength and flexibility. Students spend several course hours each week in movement, theatre, and academic classes, building skills and vocabulary necessary to become versatile artists and strong entrepreneurs. Students present performance pieces every week. In the spring of Year 1, students choose their Majors; and at the end of year participate in a final show.

In **Year 2**, circus practice is focused on Major disciplines. Students spend several hours each week in movement, theatre, and academic classes. By the end of Year 2, students will have reached a level of proficiency in their Major disciplines. They will also possess the rigging, props, or equipment needed for their specializations completely built and available. At the end of Year 2 students participate in a final show.

In **Year 3**, the focus is on the final graduation performance (the Thesis Presentation). Alongside their theatre and dance training, students develop all aspects of their final solo or duo pieces. This includes planning and coordinating costumes, music, lighting, and marketing materials. In the spring of Year 3, students present their Thesis Presentations to an audience of industry professionals. At the end of Year 3, students participate in the End of Year Show that takes place at FringeArts Philadelphia Theatre.

DELIVERY MODALITY

Students receive all instruction at the school's campus.

CREDENTIAL AWARDED

Upon successful completion of the program, students receive the Circadium Diploma of Circus Arts.

DURATION

This program has a duration of 2028 hours. Full time students complete the program in 3 years. Each academic year is 32 weeks long and runs from September to June the following year. Students attend classes Monday through Friday.

REQUIRED LEVELS OF PERFORMANCE FOR GRADUATION

In order to graduate from a program, students must pass all the courses, achieve a cumulative GPA of 2.0 [70%], and comply with all requirements established in the institution's SAP policy. In addition, the student must fulfill all financial obligations as stated in the Enrollment Agreement.

EMPLOYMENT DISCLOSURE

Graduate students of this program may start working as soon as the Diploma is received. There are no licensure or certification requirements for employment.

COURSE DESCRIPTIONS

CIR101 – Physical Preparation 1

Duration: 23.5 clock hours (6 theory, 17.5 practical)

In this course students learn to prepare their body for the circus training. As students start their day with this class, they get physically prepared with the movements and intensity to provide a safe and effective warm up. The physical preparation class features basic cardio, joint mobilization, active flexibility, prehabilitation exercises, partner and group work, core strengthening, basic acrobatics, and other creative activities to warm the body, mind, and spirit for daily circus training.

Prerequisites: None

CIR111 – Acrobatics 1

Duration: 47 clock hours (12 theory, 35 practical)

This class helps students develop a deeper understanding of the human body and the ways that it moves. This is a fundamentals course using handstands, tumbling, and sequenced combinations of movements, and focusing on how to embody movement more fully, both in the technical and creative realms.

Prerequisites: None

CIR121 – Aerials 1

Duration: 31 clock hours (7 theory, 24 practical)

In this course, students work in the improvement of the proper technique and form for varieties of ascents, descents, drops, beats, rolls, phrase work, and endurance, creating & performing choreography on multiple aerial apparatus. Students learn to identify strengths and weaknesses in themselves and their peers, to adequately communicate with them, to give educated & constructive feedback, to ask useful questions, and to set achievable goals.

Prerequisites: None

CIR131 – Conditioning 1

Duration: 47 clock hours (12 theory, 35 practical)

Students take part in group training, led by the instructor. This course emphasis is on control, stability, and quality of movement before synthesizing movements. The curriculum includes

circuit training, core strengthening, and flexibility. It is also accompanied by lectures revolving around anatomy, tissues of the body, and common injuries.

Prerequisites: None

CIR141 – Flexibility 1

Duration: 16 clock hours (4 theory, 12 practical)

The first year Flexibility course instills the fundamentals of increasing flexibility and strength in the hips, legs, shoulder, and back, with a focus on efficiency and safety. The course covers fundamental techniques, proper training habits, and proper posture. Students learn how to stretch on their own and partner stretching techniques. Each student is met and challenged at the point of skill currently achieved. Students are expected to stretch outside of class. Students are encouraged to explore the formation of shapes utilizing their own bodies for expression and act creation.

Prerequisites: None

CIR151 - Juggling 1

Duration: 16 clock hours (4 theory, 12 practical)

Juggling 1 instills the fundamentals of toss juggling with balls, clubs, and rings, with a particular look at the physical properties of each and how they react with their environment, and with the movement of the body. The course covers fundamental techniques, proper training habits, and proper posture. Partner passing and interactions are covered. Each student is met and challenged at the point of skill currently achieved.

Prerequisites: None

DAN101 – Ballet for Circus 1

Duration: 22.5 clock hours (6 theory, 16.5 practical)

This class is designed to teach 1st year students the basic principles of ballet techniques. Ballet is necessary for circus performers to develop strength and balance, as well as to facilitate body posture and lines that are necessary to execute their circus skills. Students apply what they've learned in this class and incorporate it into their specific practical skill set.

Prerequisites: None

DAN111 – Contemporary Dance 1

Duration: 24 clock hours (7 theory, 17 practical)

This class teaches students to explore and push the boundaries of their movement capability and capacity. Students learn how to be off-balance, spiral, transition up and down from the ground, and develop their musicality. This class is based on release technique, with heavy influence from Cunningham among other modern and postmodern dance techniques, including improvisation. Students apply what they've learned in this class and incorporate it into their practical circus disciplines.

Prerequisites: None

THE101 – Physical Theatre 1

Duration: 48 clock hours (12 theory, 36 practical)

The first-year physical theatre class focuses on the fundamental building blocks of live performance: rhythm, dynamics, space, the expressive voice and body, the relationship between performer and audience, character, arc of a story and ensemble collaboration. This exploration is broken into three distinct courses based on the Lecoq pedagogy: Improvisation, Movement Analysis, and Presentations. Through movement, observation, experimentation and analysis, students build a creative toolbox that will serve as endless inspiration for creation and the basis for physical and emotional presence onstage.

Prerequisites: None

THE111 – Friday Presentations 1

Duration: 24 clock hours (12 theory, 12 practical)

In this keystone course, students work collaboratively to create original pieces of performance according to weekly prompts. Assignments build on the coursework in circus disciplines, physical theatre, dance, writing/dramaturgy, and other courses, asking students to employ technical circus vocabulary in the service of a unique artistic vision. This is an opportunity for students to apply everything they have been learning in their classes to their own creative work.

Students watch one another's work, and pieces are critiqued by a faculty panel according to rubrics which focus on clarity, precision, presence, connection, technical skill, artistic craft, and vision/risk-taking. Students spend on average 4 hours per week working on each prompt, outside of scheduled class hours.

Prerequisites: None

PER101 – History of Circus

Duration: 16 clock hours (16 theory, 0 practical)

Using texts, videos, and photo studies, this course explores the rich history of circus arts throughout the world. Units include Ancient History, Chinese Acrobatic Theater, Europe in the 18th Century, the American Traveling Circus, the Golden Age, Development of Circus Schools, New Circus, and Contemporary Circus.

Prerequisites: None

PER121 – Industry Seminars 1

Duration: 16 clock hours (16 theory, 0 practical)

The Industry Seminars class presents a variety of topics throughout the year that are relevant to the students' future careers in the performing arts. Topics in the first term include Nutrition, Stress Management, Increasing Strength and Range, Anti-Racism, and Collaboration Methods. In addition to workshops, the Industry Seminars include Guest Speakers, professional performers who come to share their advice and answer questions.

Prerequisites: None

PER151 – Community Service Project – Year 1

Duration: 3 clock hours (1 theory, 2 practical)

In order to foster connections between students and the local community, each year students are required to participate in a single 3-hour community service project.

Prerequisites: None

CIR102 – Physical Preparation 2

Duration: 15 clock hours (3 theory, 12 practical)

In this course students learn to prepare their body for circus training. As students start their day with this class, they get physically prepared with the movements and intensity to provide a safe and effective warm up. The physical preparation class features basic cardio, joint mobilization, active flexibility, prehabilitation exercises, partner and group work, core strengthening, basic acrobatics, and other creative activities to warm the body, mind, and spirit for daily circus training.

Prerequisites: None

CIR112 – Acrobatics 2

Duration: 30 clock hours (7 theory, 23 practical)

This class helps students develop a deeper understanding of the human body and the ways that it moves. This is a fundamentals course, using handstands, tumbling, and sequenced combinations of movements, focusing on creative prompts (environmental, physical, and verbal), as well as acrobatic sequencing.

Prerequisites: CIR111

CIR122 – Aerials 2

Duration: 20 clock hours (5 theory, 15 practical)

This course is a continuation of CIR121. Students continue working on proper techniques and form for varieties of ascents, descents, drops, beats, rolls, phrase work, and endurance, and they create & perform choreography on multiple aerial apparatuses. Students learn to identify strengths and weaknesses in themselves and their peers, to adequately communicate with them, to give educated & constructive feedback, to ask useful questions, and to set achievable goals.

Prerequisites: CIR122

CIR132 – Conditioning 2

Duration: 30 clock hours (7 theory, 23 practical)

Students take part in group training, led by the instructor. This course emphasis is on control, stability, and quality of movement before synthesizing movements. The curriculum includes circuit training, core strengthening, and flexibility. Students create SMART goals and start designing their training plans with the instructor, which includes a combination of solo work and group work.

Prerequisites: CIR131

CIR142 – Flexibility 2

Duration: 10 clock hours (2 theory, 8 practical)

The second part of the Flexibility course instills the fundamentals of increasing flexibility and strength in the hips, legs, shoulder, and back, with a focus on efficiency and safety. The course covers fundamental technique, proper training habits, and proper posture. Students will learn how to stretch on their own and partner stretching techniques. Each student will be met and challenged at the point of skill currently achieved. They will be expected to stretch outside of class. Students will be encouraged to explore the formation of shapes utilizing their own bodies for expression and act creation.

Prerequisites: CIR141

CIR152 – Juggling 2

Duration: 10 clock hours (2 theory, 8 practical)

Juggling 2 continues to work with balls, clubs, and rings, with a particular look at the physical properties of each and how they react with their environment, and with the movement of the body. The course covers fundamental technique, proper training habits, and proper posture. Partner passing and interactions are covered. Each student is met and challenged at the point of skill currently achieved.

Prerequisites: CIR151

CIR161 - Major Research

Duration: 10 clock hours (2 theory, 8 practical)

During this class students explore several circus disciplines in depth, working one-on-one with instructors, to determine their ultimate best fit for a specialty in the program. At the end of this class, students will declare their Major discipline.

Prerequisites: None

DAN102 – Ballet for Circus 2

Duration: 15 clock hours (4 theory, 11 practical)

This class is a continuation of DAN101. Students continue to build upon the foundations of ballet explored during their first term and expand the students' ballet vocabulary. Students continue to develop their posture, balance, and skills that are applicable to circus arts.

Prerequisites: None

DAN112 – Contemporary Dance 2

Duration: 15 clock hours (4 theory, 11 practical)

This class teaches students to explore and push the boundaries of their movement capability and capacity. Students learn how to be off-balance, spiral, transition up and down from the ground, and develop their musicality. This class is based on release technique, with heavy influence from Cunningham among other modern and postmodern dance techniques, including improvisation. Students apply what they've learned in this class and incorporate it into their practical circus disciplines.

Prerequisites: None

THE102 – Physical Theatre 2

Duration: 30 clock hours (6 theory, 24 practical)

This course is a continuation of THE101. Students continue to build their creative toolbox by focusing on the fundamental building blocks of live performance: rhythm, dynamics, space, the expressive voice and body, the relationship between performer and audience, character, arc of a story and ensemble collaboration.

Prerequisites: THE101

THE112 – Friday Presentations 2

Duration: 15 clock hours (7 theory, 8 practical)

In the second part of this keystone course, students continue to work collaboratively to create original pieces of performance according to weekly prompts. Assignments build on the coursework in circus disciplines, physical theatre, dance, writing/dramaturgy, and other courses, and ask students to employ technical circus vocabulary in the service of a unique artistic vision. This is an opportunity for students to apply everything they have been learning in their classes to their own creative work. Students watch one another's work, and pieces are critiqued by a faculty panel according to rubrics which focus on clarity, precision, presence, connection, technical skill, artistic craft, and vision/risk-taking. Students spend on average 4 hours per week working on each prompt, outside of scheduled class hours.

Prerequisites: THE111

THE121 – End-of-Year Show – Year 1

Duration: 100 clock hours (0 theory, 100 practical)

The End-of-Year Show class is a group creation process led by a professional Artistic Director. The entire student body functions as a company during this 6-week period, determining group agreements and rehearsal schedules. At the end of the term, the performances will be presented at the FringeArts theater in Center City Philadelphia.

Prerequisites: None

PER111 – Intro to Dramaturgy & Creation

Duration: 10 clock hours (10 theory, 0 practical)

This course introduces students to engaging with contemporary circus performance from the standpoint of its *dramaturgical* craft – that is, noticing the artistic choices made in order to communicate, explore, evoke, reveal, delight, ask, or problematize. Students will watch, discuss, analyze, and conceive works of contemporary circus (as well as adjacent and hybrid genres like theater and dance) with a diversity of content, style, and form. Students will also learn how to utilize tools of both theatrical/performance dramaturgy as well as cross-disciplinary artistic craft – including storytelling, character development, time and space, structure, theme, relationship to

audience, relationship to apparatus, and use of formalistic tools like repetition, scale, juxtaposition, and change.

Prerequisites: None

PER122 – Industry Seminars 2

Duration: 10 clock hours (10 theory, 0 practical)

The Industry Seminars class presents a variety of topics throughout the year that are relevant to the students' future careers in the performing arts. Topics in the second term include Ambient Performance, Introduction to Prop Design, Music for Circus, and The State of Contemporary Circus. In addition to workshops, the Industry Seminars include Guest Speakers, professional performers who come to share their advice and answer questions.

Prerequisites: None

CIR201 – Physical Preparation 3

Duration: 23.5 clock hours (6 theory, 17.5 practical)

The second-year students have officially started their major training and are learning the physical necessities they need to incorporate in their training. Second year students will be familiar with the prescribed warm-up routines and can help the year three students lead. The physical preparation class will feature basic cardio, joint mobilization, active flexibility, prehabilitation exercises, partner and group work, core strengthening, basic acrobatics, and other creative activities to warm the body, mind, and spirit for daily circus training.

Prerequisites: None

CIR210 – Hand Balancing 1

Duration: 16 clock hours (2 theory, 14 practical)

This class will help students learn proper handstand alignment and technique, increasing confidence, consistency, and precision while handbalancing. This is a fundamentals course where students will work on exercises, drills, and skills. There will be consistent work on handstand specific strength and mobility in addition to balancing a handstand, basic movement patterns, and entrances and exits.

Prerequisites: none

CIR251 – Juggling 3

Duration 16 clock hours (4 theory, 12 practical)

Juggling 3 builds upon the fundamental juggling skills that students have accumulated in Juggling 1 & 2. Students will continue to develop their fundamental skills with 3 and 4 objects. There is a particular emphasis on partner passing and ensemble work during this term.

Prerequisites: CIR151, CIR152

CIR271 – Majors 1

Duration: 189 clock hours (45 theory, 144 practical)

During the Year 2 Majors class, students will intensively build technical skills within their chosen specialization. But Year 2 is also designed for artistic experimentation and risk-taking. Students should begin to experiment stylistically, trying on various performative concepts, frameworks, and choreographic choices. The Year 2 assessment pieces are *not* intended as early versions of the Year 3 Thesis – instead, they should be wildly different exercises, increasing the student’s range of performance possibilities.

Prerequisites: None

DAN201 – Ballet for Circus 3

Duration: 22.5 clock hours (6 theory, 16.5 practical)

Students will further their knowledge and understanding of the basic components of ballet. They will integrate more technique and physicality, concluding in performing excerpts from original ballet repertoire.

Prerequisites: None

DAN211 – Contemporary Dance 3

Duration: 24 clock hours (7 theory, 17 practical)

This class teaches students to explore and push the boundaries of their movement capability and capacity. Students learn how to be off-balance, spiral, transition up and down from the ground, and develop their musicality. This class is based on release technique, with heavy influence from Cunningham among other modern and postmodern dance techniques, including improvisation. Students apply what they've learned in this class and incorporate it into their practical circus disciplines.

Prerequisites: None

DAN221 – Somatic Practice

Duration: 8 clock hours (4 theory, 4 practical)

In this course students develop awareness about their individual movement patterns and posture. Addressing these allows each student to stay injury-free and create career longevity. The course includes exercises to retrain the nervous system, using the floor and the wall for feedback on areas of tension.

Prerequisites: None

THE201 – Physical Theatre 3

Duration: 32 clock hours (8 theory, 24 practical)

The Year 2 physical theatre course focuses on performance style, starting with a study of how to create clear and precise physical characters. Students use different techniques to create unique and complex physical characters and engage in adaptation for the first time. Throughout the course, students are asked to bring circus technique into their creations and improvisations.

Prerequisites: THE101, THE102

THE211 – Friday Presentations 3

Duration: 24 clock hours (12 theory, 12 practical)

In this keystone course, students work collaboratively, to create original pieces of performance according to weekly prompts. Whereas Presentations in Year 1 often take the form of exercises, in Year 2 we ask students to create complete, stand-alone pieces, finished enough to be performed in a variety of professional contexts.

Prerequisites: THE111, THE112

PER221 – Industry Seminars 3

Duration: 16 clock hours (16 theory, 0 practical)

Year 2 Industry Seminars are designed to supplement the students' technical and artistic training with other subjects relevant to the field, such as Stage Production, Photography for Circus, Rigging, and Collaboration Methods. In addition to workshops, the Industry Seminars include Guest Speakers, professional performers who come to share their advice and answer questions.

Prerequisites: None

PER251 – Community Service Project – Year 2

Duration: 3 clock hours (1 theory, 2 practical)

In order to foster connections between students and the local community, each year students are required to participate in a single 3-hour community service project.

Prerequisites: None

CIR202 – Physical Preparation 4

Duration: 15 clock hours (3 theory, 12 practical)

The second-year students are now well within their major and are starting to narrow down the physical necessities they need to incorporate in their training. Second year students will be familiar with the prescribed warm-up routines and can help the year three students lead. The physical preparation class will feature basic cardio, joint mobilization, active flexibility, prehabilitation exercises, partner and group work, core strengthening, basic acrobatics, and other creative activities to warm the body, mind, and spirit for daily circus training.

Prerequisites: None

CIR211 – Partner & Group Acrobatics

Duration 10 clock hours (2 theory, 8 practical)

This class will help students build a better understanding of how to move their own body in relation with another's. We will analyze movement patterns, strength, and mobility in order to learn proper technique, increasing confidence, consistency, and safety while working with a partner/a group.

Prerequisites: None

CIR251 – Juggling 4

Duration 10 clock hours (2 theory, 8 practical)

Juggling 4 builds upon the fundamental juggling skills that students have accumulated in Juggling 1, 2, and 3. Students will continue to develop their fundamental skills with 3 and 4 objects. There is a particular emphasis on creating refining intermediate level juggling skills in both individual and group work.

Prerequisites: CIR151, CIR152, CIR251

CIR272 – Majors 2

Duration: 120 clock hours (30 theory, 90 practical)

This course continues the work of CIR210, giving the student new prompts for artistic experimentation and risk-taking. Students should begin to experiment stylistically, trying on various performative concepts, frameworks, and choreographic choices. The Year 2 assessment pieces are not intended as early versions of the Year 3 Thesis – instead, they should be wildly different exercises, increasing the student's range of performance possibilities.

Prerequisites: None

DAN202 – Ballet for Circus 4

Duration: 15 clock hours (4 theory, 11 practical)

Students will further their knowledge and understanding of the basic components of ballet. They will integrate more technique and physicality, concluding in performing excerpts from original ballet repertoire.

Prerequisites: None

DAN212 – Contemporary Dance 4

Duration: 15 clock hours (4 theory, 11 practical)

This class teaches students to explore and push the boundaries of their movement capability and capacity. Students learn how to be off-balance, spiral, transition up and down from the ground, and develop their musicality. This class is based on release technique, with heavy influence from Cunningham among other modern and postmodern dance techniques, including improvisation. Students apply what they've learned in this class and incorporate it into their practical circus disciplines.

Prerequisites: None

THE202 – Physical Theatre 4

Duration: 20 clock hours (5 theory, 15 practical)

This course is a continuation of THE210. Students investigate the world of satire, mockery and comedy by exploring the theatrical forms of Bouffon, Idiot, and Red-Nosed Clown. Throughout the course, students are asked to bring circus technique into their creations and improvisations.

Prerequisites: THE101, THE102, THE201

THE212 – Friday Presentations 4

Duration: 15 clock hours (7 theory, 8 practical)

In the second part of this keystone course, students work collaboratively, to create original pieces of performance according to weekly prompts. Whereas Presentations in Year 1 often take the form of exercises, in Year 2 we ask students to create complete, stand-alone pieces, finished enough to be performed in a variety of professional contexts.

Prerequisites: THE111, THE112, THE211

THE221 – End of Year Show – Year 2

Duration: 100 clock hours (0 theory, 100 practical)

The End-of-Year Show class is a group creation process led by a professional Artistic Director. The entire student body functions as a company during this 6-week period, determining group agreements and rehearsal schedules. At the end of the term, the performances will be presented at the FringeArts theater in Center City Philadelphia.

Prerequisites: None

PER222 – Industry Seminars 4

Duration: 10 clock hours (10 theory, 0 practical)

Year 2 Industry Seminars are designed to supplement the students' technical and artistic training with other subjects relevant to the field, such as Stage Production, Photography for Circus, Rigging, and The State of Contemporary Circus. In addition to workshops, the Industry Seminars include Guest Speakers, professional performers who come to share their advice and answer questions.

Prerequisites: None

CIR301 – Physical Preparation 5

Duration: 23.5 clock hours (6 theory, 17.5 practical)

As the graduating seniors round out their final semester, they will have a good understanding of what their individual needs are in regard to physical preparation. This semester begins the last school year that the students warm up together in this fashion. It is expected that they will lead certain exercises and prescribed routines. The physical preparation class will feature basic cardio, joint mobilization, active flexibility, prehabilitation exercises, partner and group work, core strengthening, basic acrobatics, and other creative activities to warm the body, mind, and spirit for daily circus training.

Prerequisites: None

CIR310 – Hand Balancing 2

Duration: 16 clock hours (2 theory, 14 practical)

Building on skills, concepts, and exercises introduced in Handbalancing 1, this class will help students build an even better understanding of their own body, their own movement patterns, strength, and mobility in order to gain consistency and precision in their proper handstand alignment and technique, increasing confidence to construct their own workouts and skill progressions in handbalancing. Students are required to maintain a consistent extracurricular handbalancing routine and establish personal handstand goals.

Prerequisites: CIR210

CIR371 – Majors 3

Duration: 189 clock hours (45 theory, 144 practical)

The Year 3 Majors course emphasizes excellence, consistency, and professionalism. This year allows students to cultivate their unique artistic identity, and harness well-researched technical and creative vocabularies in the creation of a signature piece of circus performance, leading up to a culminating Thesis showing.

Prerequisites: None

DAN301 – Ballet for Circus 5

Duration: 22.5 clock hours (6 theory, 16.5 practical)

Students will further their knowledge and understanding of the basic components of ballet. They will integrate more technique and physicality, concluding in performing excerpts from original ballet repertoire.

Prerequisites: None

DAN311 – Contemporary Dance 5

Duration: 24 clock hours (7 theory, 17 practical)

This class teaches students to explore and push the boundaries of their movement capability and capacity. Students learn how to be off-balance, spiral, transition up and down from the ground, and develop their musicality. This class is based on release technique, with heavy influence from Cunningham among other modern and postmodern dance techniques, including improvisation.

Students apply what they've learned in this class and incorporate it into their practical circus disciplines.

Prerequisites: None

THE301 – Theatre 5

Duration: 16 clock hours (8 theory, 8 practical)

This course builds on and branches out from the foundations of physical theatre, in order to enrich and advance students' stylistic versatility, performance craft, and artistic vision. Term 1 Topics include Cabaret and Solo Show Creation.

Prerequisites: THE101, THE102, THE201, THE202

THE311 – Friday Presentations 5

Duration: 24 clock hours (12 theory, 12 practical)

Year 3 Presentations will be structured as an artist-driven salon as research for the Majors Thesis. Each week, students will present material followed by a peer and faculty feedback session. Students will design their own research trajectories in consultation with technical and artistic Majors advisors.

Prerequisites: THE111, THE112, THE211, THE212

PER321 – Industry Seminars 5

Duration: 16 clock hours (16 theory, 0 practical)

Year 3 Industry Seminars are designed to supplement the students' technical and artistic training with other subjects relevant to the field, such as Street Performance, Costume Design, and Creation Lab. In addition to workshops, the Industry Seminars include Guest Speakers, professional performers who come to share their advice and answer questions.

Prerequisites: None

PER331 – Career Planning 1

Duration: 16 clock hours (16 theory, 0 practical)

The 3rd Year Career Planning class will be a combination of workshops, guest speakers, and individual projects to prepare for the students' work lives post-graduation. One-on-one consultations with the instructor will be interspersed with lessons on marketing materials, financial management, and business planning.

Prerequisites: None

PER351 – Community Service Project – Year 3

Duration: 3 clock hours (1 theory, 2 practical)

In order to foster connections between students and the local community, each year students are required to participate in a single 3-hour community service project.

Prerequisites: None

CIR302 – Physical Preparation 6

Duration: 15 clock hours (3 theory, 12 practical)

As the graduating seniors round out their final semester, they will have a good understanding of what their individual needs are in regard to physical preparation. This final round of physical preparation is the last time the students will warm up together in this fashion. It is expected that they will lead certain exercises and prescribed routines. The physical preparation class will feature basic cardio, joint mobilization, active flexibility, prehabilitation exercises, partner and group work, core strengthening, basic acrobatics, and other creative activities to warm the body, mind, and spirit for daily circus training.

Prerequisites: None

CIR311 – Partner & Group Acrobatics 2

Duration 10 clock hours (2 theory, 8 practical)

This class will build on the foundations already set, where students will work on exercises, drills, and skills to be further developed in independent training sessions when spotters are present.

There will be consistent work on both stacked shapes such as two-high, high bird, and A-frame and counterbalanced shapes such as thighstand, flag, and various others.

Prerequisites: CIR211

CIR372 – Majors 4

Duration: 120 clock hours (30 theory, 90 practical)

In this final term of Majors, the Year 3 students are preparing their final Thesis piece one-on-one with their Majors instructors. This term emphasizes detail, repetition, and stagecraft.

Prerequisites: None

DAN302 – Ballet for Circus 6

Duration: 15 clock hours (4 theory, 11 practical)

Students will further their knowledge and understanding of the basic components of ballet. They will integrate more technique and physicality, concluding in performing excerpts from original ballet repertoire.

Prerequisites: None

DAN312 – Contemporary Dance 6

Duration: 15 clock hours (4 theory, 11 practical)

This class teaches students to explore and push the boundaries of their movement capability and capacity. Students learn how to be off-balance, spiral, transition up and down from the ground, and develop their musicality. This class is based on release technique, with heavy influence from Cunningham among other modern and postmodern dance techniques, including improvisation. Students apply what they've learned in this class and incorporate it into their practical circus disciplines.

Prerequisites: None

THE302 – Theatre 6

Duration: 10 clock hours (5 theory, 5 practical)

This course builds on and branches out from the foundations of physical theatre, in order to enrich and advance students' stylistic versatility, performance craft, and artistic vision. Term 2 topics include Mission, Vision, & Values, and Street Performance.

Prerequisites: THE101, THE102, THE201, THE202, THE301

THE321 – Friday Presentations 6

Duration: 15 clock hours (7 theory, 8 practical)

In the final 10 weeks of their thesis creations, Year 3 students will be rehearsing their choreography while making choices about sound, lights, costume, and staging in conjunction with their Majors instructors. The end of this class culminates in public Thesis showings.

Prerequisites: None

THE321 – End of Year Show – Year 3

Duration: 100 clock hours (0 theory, 100 practical)

The End-of-Year Show class is a group creation process led by a professional Artistic Director. The entire student body functions as a company during this 6-week period, determining group agreements and rehearsal schedules. At the end of the term, the performances will be presented at the FringeArts theater in Center City Philadelphia.

Prerequisites: None

PER322 – Industry Seminars 6

Duration: 10 clock hours (10 theory, 0 practical)

Year 3 Industry Seminars are designed to supplement the students' technical and artistic training with other subjects relevant to the field, such as Costume Design, Street Performance, and The State of Contemporary Circus. In addition to workshops, the Industry Seminars include Guest Speakers, professional performers who come to share their advice and answer questions.

Prerequisites: None

PER332 – Career Planning 2

Duration: 10 clock hours (10 theory, 0 practical)

Part 2 of the 3rd Year Career Planning class will be a combination of workshops, guest speakers, and individual projects to prepare for the students' work lives post-graduation. One-on-one consultations with the instructor will be interspersed with lessons on marketing materials, financial management, and business planning.

Prerequisites: PER331

STAFF AND FACULTY

STAFF

Executive Director & Director of Education – Shana Kennedy

Financial Director – John Polk

Student Services & Career Services – Sylvia Dattler

Senior Advisor to the Executive Director – Kitsie O'Neill

Admissions Advisor – Shana Kennedy

Bursar – Sylvia Dattler

Administrative Support – Sylvia Dattler

FACULTY

L M Feldman

- Master of Fine Arts in Playwriting, Yale University School of Drama, New Haven, CT
- Bachelor of Arts in English, Creative Writing and Theatre major, Cornell University, Ithaca, NY
- Theatre and Shakespeare Program Certificate, Skidmore College, Saratoga Springs, NY

- L M Feldman has been writing and producing original plays and circus-theatre works since 2007, in theaters all around North America. She has been an adjunct faculty at Bryn Mawr College since 2013.

Luther Bangert

- Bachelor of Arts in Philosophy, University of Iowa, Iowa City, IA
- Coremotion Program Certificate, New York, NY
- Luther has completed training and residencies Haukijärvi, Finland; Santiniketan, West Bengal, India; Deltebre, Spain; Berlin, Germany; Torino, Italy; Iowa City, IA, and Mysore, Karnataka, India. He has performed at festivals, mainstage, and outdoor events from 2008-2022, in over 20 countries. He has taught juggling classes and workshops in Iowa, New York, and Oregon since 2016.

Elliot Gittelsohn

- Bachelor in Performing Arts, St. Mary's College, Moraga, CA
- Professional Contortion Program Certificate, San Francisco, CA
- Clown Conservatory Program Certificate, San Francisco, CA
- Elliott has performed around the world with companies including Capacitor, Sister Magic Productions, MOTH Poetic Circus, Vau de Vire Society, Celebrity Cruises, Kinetic Arts Productions, and Sir Cupcake's Queer Circus. He has coached contortion, hand balancing, and general circus skills for Time Flies Circus, Philadelphia School of Circus Arts, Levity Circus Collective, Kinetic Arts Center, Circo Caribe, Circus Center, Acrosports, Circus Moves, and Hampshire College.

Shana Kennedy

- Bachelor of Arts in French Language and Literature, George Washington University, Washington, DC
- Circus Arts Program Certificate (one year program), Circomedia, Bristol, UK
- Event Planning, George Washington University, Washington, DC

- Shana performed as an aerialist and a juggler with companies around the world from 1996-2006. She began her own aerial teaching company in 2000; founded the Philadelphia School of Circus Arts in 2008; and founded Circadium in 2014.

Jesse Kitzen-Abelson

- Bachelor of Science in Exercise Science, Temple University, Philadelphia, PA
- Federation of International Gymnastics- level I Training Certificate, Philadelphia, PA
- USA Gymnastics Safety Training Certificate, Philadelphia, PA
- USAG Fundamentals of Gymnastics Instruction Training Certificate, Philadelphia, PA
- USA Safe Sport Training Certificate, Philadelphia, PA
- Jesse was a competitive artistic gymnast for over 15 years. He competed collegiately at Temple University where he was a two-year co-captain and consistent pommel horse anchor. After graduation, he went on to coach high performance gymnastics in South Africa for 5 years and represented the country on a world stage. Since returning to the US, he has gone back to his alma mater at Temple to coach the men's gymnastics team.

Sarah Moser

- Bachelor of Arts in Cognitive Science (Neuropsychology), Northwestern University, Evanston, IL
- EFS Training Certificate (Education for Sustainability), Shelburne Farms, VT
- NASM Personal Trainer Certification, National Academy of Sports Medicine, Philadelphia, PA
- Health and Life Coach Certification, Health Coach Institute, Philadelphia, PA
- Sarah has completed training in Standing Acrobatics, Hand to Hand, and AcroLove, and has been teaching workshops at acrobatics festivals since 2013.

Jacinta Yelland

- Master of Fine Arts in Devise Performance, The University of the Arts, Philadelphia, PA

- Bachelor of Arts in Creative Industries (Drama), University of Leeds, Leeds, England
- Clown Intensive Program Certificate, Ecole Phillippe Gaulier, Los Angeles, CA
- Le Jeu, Neutral Mask & Text Characters Program Certificate, Ecole Phillippe Gaulier, Paris, France
- Jacinta has been performing as a physical theatre artist in Australia, France, Sweden, and the US since 2008. She is the recipient of numerous grants for her work and continues to create original theatre productions. She is an adjunct faculty at Temple University and at Princeton University.
